

## Nizam's Museum

The Nizam's Museum is an equally entertaining museum in Hyderabad. It is located in Purana Haveli, in the heart of the city. The museum is just two kilometers from Charminar. The second Nizam of Hyderabad acquired a palace around 1750 and made it into a museum with a breathtaking collection of antiques.

The gifts and mementos on the silver jubilee celebrations are being displayed here. Among this precious collection are the expensive and vintage 1930 Rolls Royce, Mark V Jaguar and Packard. Gold-furnished throne used during the celebrations; a gold tiffin box, with diamond inlaid it; coffee cups made of silver and studded with diamonds are also seen. Gold and silver models of various buildings and the silver Jubilee pavilion are also showcased.

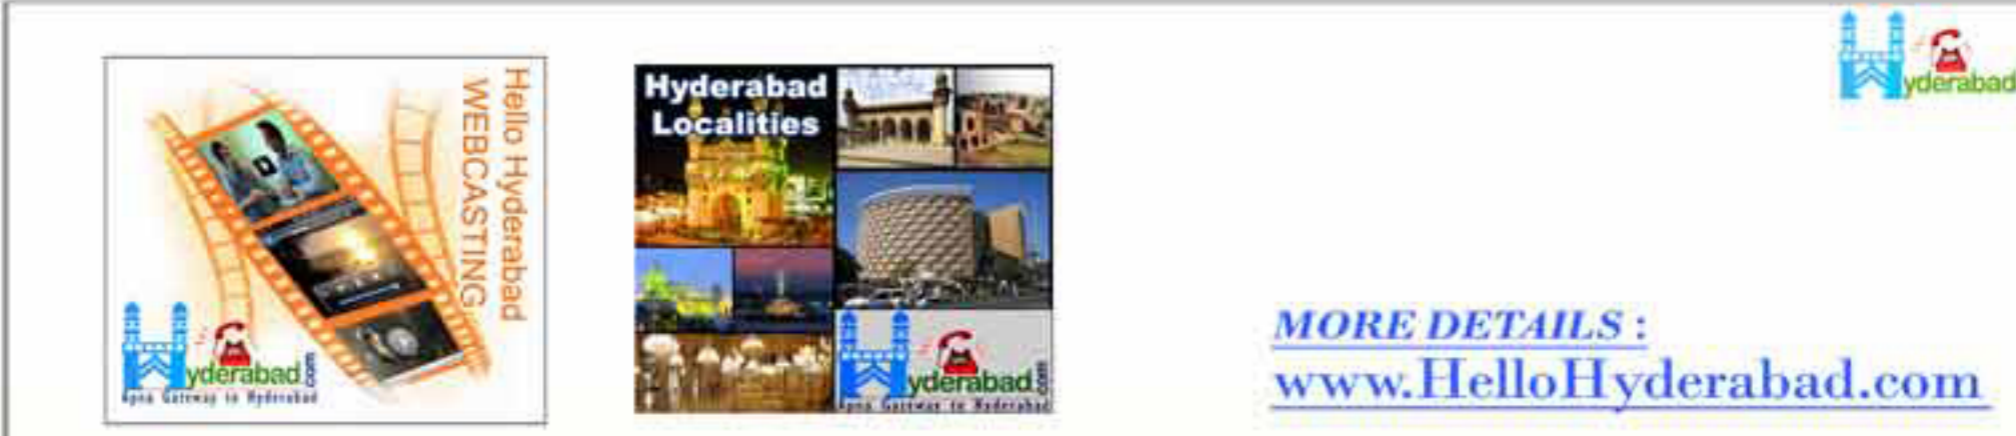

A fascinating collection of articles presented to the fabulous VII Nizam of Hyderabad, Mir Osman Ali Khan, is being put on public display. This was his wish as it tells so much about his times and about the achievements of the people of Hyderabad. It also tells us a lot about the Mir Osman Ali Khan himself.
